## STAR CHILD PROGRAM

*Help our children reach for the stars!*

National Dance Institute (NDI) transforms the lives of over 35,000 New York City public school children and their families each year. Through NDI, children learn how to work together and reach for their personal best. They develop standards of excellence and a belief in themselves that supports their success in school and in life. Not one child pays a penny to participate in NDI.

Your support of NDI's **Star Child Program** opens the door to a unique and rewarding experience for thousands of children—and for yourself—as you watch them learn and grow throughout their NDI experience.

*Please give as generously as you can!*
